

2023 GRANT ROUND

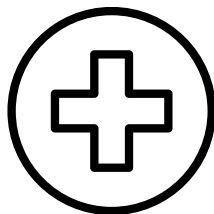

HEALTH & MEDICAL RESEARCH FUNDING

EXPRESSIONS OF INTEREST ARE INVITED FROM ALL FIELDS OF CLINICAL HEALTH & MEDICAL RESEARCH FOR FUNDING IN 2024 & BEYOND.

Funding is available for research that meets, but not necessarily restricted to the following objectives:

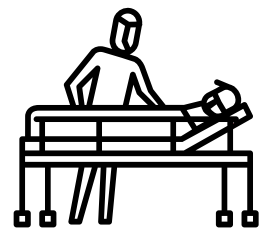

Research undertaken by clinicians in medicine, nursing & allied health at the Launceston General Hospital & surrounding Northern Tasmanian hospitals.

Translational health & medical research projects.

Hospital based projects that enable collaborative research between clinicians & UTAS academics.

Research that enhances LGH participation in non-commercial collaborative projects with other hospitals institutions.

EXPRESSIONS OF INTEREST TO BE SUBMITTED TO THE CLIFFORD CRAIG FOUNDATION OFFICE BY THURSDAY, 30 MARCH, 2023

Subject to assessment by the Research Committee, full applications for funding will be invited.

NOTE: Full applications will not be accepted prior to submission of an Expression of Interest.
